

THE SCHOOL DISTRICT OF PHILADELPHIA

Castor Gardens Middle School **School-Parent Compact**

School Year 2023-2024

Revision Date:

04/28/2023

Dear Parent/Guardian,

JOINTLY DEVELOPED

The parents, students and staff of Castor Gardens Middle School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they need, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring of each year to review the compact and make suggestions based on student needs and school improvement goals. This year's meeting was held on April 27th, 2023. Parents are also encouraged to participate in the School Family Engagement survey that is also used as a tool to collect parent feedback regarding the current Title I programs, policies and family engagement.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.
